Young Citizens LTI Link Instructions for Schoology Teachers

1. Select the Course you wish to link to Young Citizens.

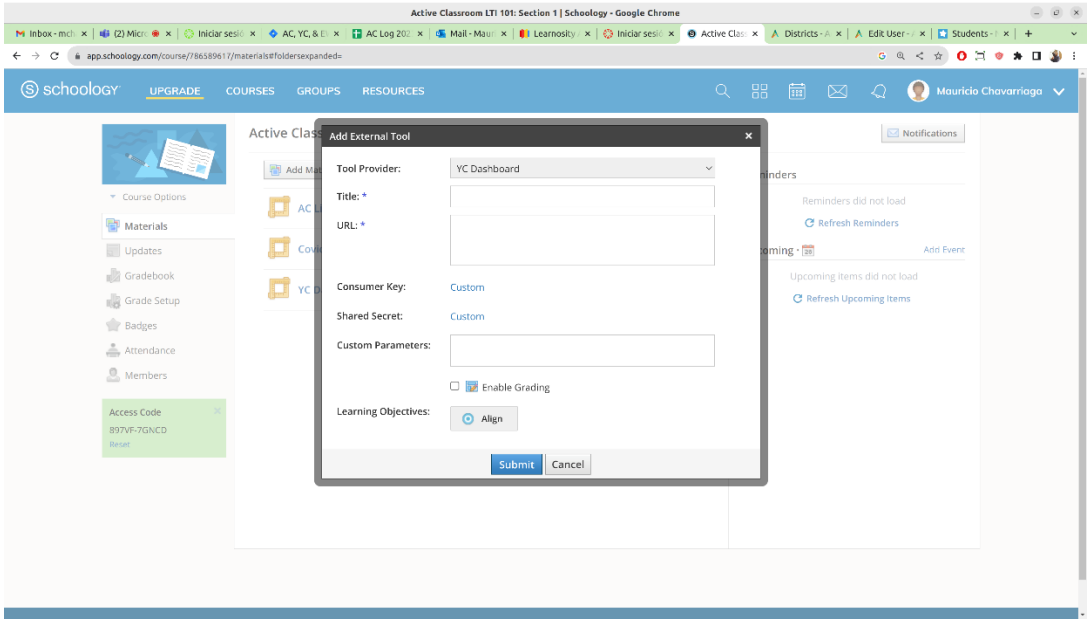

2. Click “Materials” then “Add Materials”; choose “Add File/Link/External Tool” from the dropdown.

3. Choose External Tool

4. From “Tool provider” dropdown choose “Young Citizens” (or the name used in the initial configuration by Admin). The required configuration values will be set by the information entered by your institution’s Admin.

5. Enter the title that your students will see for the Young Citizens material (e.g. “Go to Young Citizens” or “Grade 1 Young Citizens”).

6. Leave the other fields empty and click “Submit”. The material will be added to your course.
